

Memorial Quilt

Memorial Names – Elders Lost

Over the last year we have lost many of our beloved Elders. NICOA would like for anyone that knows of someone that has past please submit their name to us. We are going to prepare a native quilt with all the names of the Elders we have lost as a memorial tribute to all they have done and what we have lost. We plan to present the quilt to the National Museum of American Indian History in Washington, DC for display.

Please fill out the attached information form and submit with your registration or bring it to the conference and submit at registration check-in.
