---

Dear Data Summit Participant,

Thank you for your interest in the U.S. Census Bureau's Data Summit Session where we show you, the novice data user, how to access and use Census data that benefits you and your community. We sincerely appreciate your participation and hope the information presented during the **Census Bureau Data About Persons with Disabilities and Aging Populations** will be useful in your ongoing community engagement. The Census Bureau's mission is to serve as the nation's leading provider of quality data about its people and economy. Our goal is to provide the best mix of timeliness, relevancy, and quality data collected.

We have provided additional resources for your Data Summit session. Please access the resource links and if you have any questions or need additional information, please contact us. There are multiple ways to engage with the Census Bureau and we encourage you to continue to explore and *Expand your Knowledge*. Feel free to contact the Census Bureau via the communication channels provided above.

## ADDITIONAL RESOURCES

### What we Do

<https://www.census.gov/about/what.html>

The Census Bureau's mission is to serve as the nation's leading provider of quality data about its people and economy.

### What is data.census.gov?

[https://data.census.gov/cedsci/  
Data.census.gov](https://data.census.gov/cedsci/Data.census.gov)

Data.census.gov is the new platform to access data and digital content from the U.S. Census Bureau. The vision for data dissemination through data.census.gov is to improve the customer experience by making data available from one centralized place so that data users spend less time searching for data content and more time using it. For guidance on using data.census.gov, please see our [Resources page](#).

### Data Gems

[https://www.census.gov/data/academy/  
data-gems.html](https://www.census.gov/data/academy/data-gems.html)

Data Gems is a series of "how-to" videos available for data users who are looking for an easy and quick way to enhance their knowledge of Census data. It will introduce you to various concepts and techniques to improve your ability to navigate our website and use our data-access tools.

### All Surveys and Programs

[https://www.census.gov/programs-  
surveys/surveys-programs.html](https://www.census.gov/programs-surveys/surveys-programs.html)

The U.S. Census Bureau conducts more than 130 surveys and programs each year. Visit this link to gain access to additional Programs and Surveys.
